

RIVIAN ELEVATION BY MERIDIAN RIVIAN R1T

Often times, the best experiences aren't about where you end up, it's about the journey. With this in mind, the Rivian Elevation sound system has been designed to transport you inside the original recordings of your favourite tracks. Meridian's innovative DSP technologies deliver an audio experience of unparalleled quality and every system is tailored to each individual vehicle. The R1T features the Rivian Elevation sound system, designed and engineered by Meridian. It includes 19 speakers strategically placed throughout the cabin, powered by a 1200-watt amplifier.
